# Maumee Valley Guidance Center Psychiatric Services

Enhancing the quality of life for those we  
serve.

"There is hope, even when your brain tells you there isn't."  
— John Green, Turtles All the Way Down

## Psychiatry

We have experienced APRNs on staff to assist both youth & adult clients living with depression, anxiety or severe & persistent mental illness.

Upon initial contact, a diagnostic assessment will be scheduled. Assessments are completed the same day whenever possible.

We offer both the private tele-med option using a big screen monitor for videoconferencing, or in-person appointments, whichever best suits the needs of our clients.

Psychiatric Nurses are on staff to assist clients with any immediate needs or concerns.

## Medication Management

We offer:

Psychiatric medication evaluation within 7-14 days & medication management services.

Weekly medication dispensing if needed.

Communication with primary care physician to ensure medications will not have adverse effect on others.

Communication with pharmacies to ensure all information is correct and up to date.

## Clubhouse Service

This service offers clients with severe/persistent mental health disorders the opportunity to remain active in the natural community environment with daily socialization opportunities.

Daily living skills and wellness activities are also available.

## Community Psychiatric Supportive Treatment

Case Management services are available for youth & adults living with severe mental or behavioral issues.

Our goal is for the individual to be able to remain independently functioning in the community. On-call Case Management offers 24 hour on-call phone conversation services to our Case Management clients (*not* a crisis service).
